## BAR PACKAGES

*priced per person · based on 4-hour events*

### Beer & Wine *all floors*

**\$30**

*Curated wine program from a sommelier with a pedigree running lists at Republique, Bestia, Bavel, and A.O.C. — thoughtful, drinkable selections, never a "grocery store" pour.*

### Beer, Wine & Mixers *all floors*

**\$45**

*Everything in Beer & Wine, plus classic mixed drinks — G&Ts, vodka sodas, tequila tonics, whiskey gingers.*

### Full Cocktail Bar *lobby floor only\**

**\$60**

*Beer, wine, mixers, and full cocktails — neat or on the rocks, built from our house spirits. \*Upper floors available with an Event Bartender stationed at the Lobby Bar and Service Staff running drinks upstairs.*

## PUNCHBOWL

### House Punchbowl

**\$12 / person**

*A crowd-pleasing addition built with artisanal spirits, liqueurs, fresh juice, and tonics or cava — prepped ahead of service to cut wait times for guests arriving together, and a smart way to hold staffing at lighter guest counts.*

## PREMIUM UPGRADES

*Call spirits — aged tequilas, aged cognacs, and premium whiskeys — are available on request as a supplement to any package. Upgrades are added to the final bill as consumed, rather than moving the full guest count to a higher tier.*

## SPACE RENTAL

### Venue Rental

**Starting at \$2,500**

*Final rate is scoped to guest count, floor(s) reserved, and event duration.*
